

Agency Assist Field

An assist incident report can be submitted if the incident investigation/arrest is being handled by another police jurisdiction.

Enter the 9 character ORI number (MI + 7 digits) of the agency that was assisted.

An assist incident report **may not include** Offender, Victim, Arrest and/or Property information.

Assist Agency is an optional data element.

Assist incident reports **are not mandatory** for UCR reporting and will not be forwarded to the FBI.

The UCR Unit prefers not to receive assist data.
